Date of transcription 1/12/81

George Wilson, Executive Vice President, Billy Graham Evangelistic Association, 1300 Harmon Place, Minneapolis, Minnesota, telephone 338-0500, was contacted at his place of employment, furnished with the official identity of the interviewing Agent and with the nature of the interview. Wilson subsequently furnished the following information:

The Billy Graham Evangelistic Association on January 5, 1981, received a letter addressed to Mr. William Franklin Graham. Graham is identical to the Evangelist Billy Graham, and the Minneapolis based Billy Graham Evangelistic Association is the national headquarters for Graham's organization. Occasionally Wilson's office does receive threatening type letters but they are somewhat of a rarity. This particular letter was of some concern to Wilson, in that it implied threats to Graham and other individuals. Because Graham and one of the other individuals mentioned in the letter, Frank Sinatra, are both involved in the January 20, 1981, inauguration ceremonies of President Elect Reagan in Washington, Wilson advised that he reported the receipt of this letter to the U.S. Secret Service in Minneapolis, as well as the FBI.

b7C      The name [redacted] is unknown to Wilson and the Billy Graham Evangelistic Association.

Wilson pointed out that because the letter was addressed to William Franklin Graham, the writer may possibly be from the southern part of the U.S., in that it is a common term of address in that part of the country. Graham was born in Charlotte, North Carolina, and currently resides in Asheville, North Carolina.

The two page letter was handwritten on the reverse side of a photocopy of two different articles which appeared in Life magazine with handwritten notations on April 26, 1943, and May 24, 1943.

The following is a verbatim of the two page letter:

# ASPARAGUS AND THE DUKE

Windsor visits his Bahamian subjects at New Jersey

At Windsor carries a Flambot-like pack with two fine bunches of freshly picked asparagus on his shoulder. He took asparagus back to New York with directions for preparing it for King George.

Bahamian Negro workers at a farm between Gloucester and Camden across muddy fields of asparagus ready for harvesting. The Duke dismissed food and the weather while visiting the Negroes.

ASPARAGUS is presented to the Duke by a Bahamian who recently came to the U. S. with many fellow workers to help relieve the severe farm-labor shortage. Shown here by his

subjects, the Duke bent down and cut some asparagus himself. Asked if he liked it, the former King replied, "No, I am getting old but I have strength."

## BAHAMIANS ARRIVE

In Washington last week the Senate passed a bill appropriating \$25,100,000 to establish a "land army" to help in the production and harvesting of this year's crops. In Miami new recruits for this wartime farm army were arriving by plane and ship from the Bahama Islands. The Bahamian Negroes, enlisted in Nassau by the U. S. Agricultural Labor Administration, were immediately settled in large migratory workers' camps among the Everglades and put to work picking Florida's ripe bean and sugar-cane crops.

While the Bahamians, recruited in the latest Har-

kin fashion, were pouring into Miami at the rate of 224 a day, labor officials charged that 300 U. S. families recently brought from the mid-South to Florida were being returned to their homes. Nevertheless, the Department of Agriculture is going ahead with plans to import as many as 5,000 Bahamians and later 11,000 Jamaicans on a for-the-duration basis. During the last war, too, several thousand Bahamian Negroes temporarily moved in to supplement the nation's already depleted labor supply. Many of them decided to remain, and immigration officials are still chasing them.

Immigration officials record vital statistics on the migrants, take their fingerprints, give them identification cards which must be carried at all times. Many of these Negro workers were

recently employed in building a nearly completed U. S. air base in the Bahamas. Hard-pressed Florida farmers have requested for the importation of more than 5,000 Bahamians.

William Webster, Director of the FBI

Dear Sir,

All

This is a confession to kill Frank Sinatra, singer  
and partner, in self-defense who is co-conspiracy with  
others to steal FBI taps of my music, and partnership  
and wealth. The effective date of the confession is  
December 6, 1980.

I am  
number [REDACTED]

with social security

My complete confession and statement is in  
my safe deposit box at The [REDACTED]  
New York.

Brooklyn

The reason for the effective date of my confession  
to kill Frank Sinatra is that the thief who stole  
the taps of the FBI has violently threatened me with  
police set-ups to prevent me from presenting myself  
at the FBI office. The ego maniac thief is very  
vicious and stated he will throw me into  
mental institutions. Therefore, the FBI must come  
to my home to get me on the effective date of  
my confession which is Dec. 6, 1980. Any contradiction  
to this confession in my name will  
not be mine and is only [REDACTED] her truck

of the ego maniac <sup>(2)</sup> Thief who stole the keys  
of the FBI.

Every partner and plagiarist must be told  
that they are illegal and that [REDACTED]  
claims all assets and properties of the partnership  
and all other assets and properties they own.  
I claim at least one billion dollars from the  
partners. I also claim five billion dollars  
from the United States Government for its part in  
the guilt.

I state again that because of the violent  
schemes of one partner who is illegal, known to  
me as the Thief who stole the keys and most  
of the wealth, though I never met him or anyone  
in the partnership, I am forced to handle the  
confession to hell Frank Sinatra, singer and partner,  
in self-defense with an effective date of Dec. 6/1952.  
Therefore, the FBI must come to get me at my  
home in Brooklyn [REDACTED]

[REDACTED] N.Y. In addition, I want a good  
and sensible settlement with at least my  
share of the partnership, which I'm told the  
ego maniac thief only refuses to accept.

March  
1985

Dear Sir:

I am psychic and I must write to you about very serious problems.  
Frank Sinatra is the main problem.

1. For five years he has been trying to create a world war.  
As soon as Reagan got into office the threats came out.
2. When he found difficulties in starting a world war.  
He began trying to divide the country. East against West. West against East.
3. His difficulties in that.

1084871

led to trying to instigate a black take over.

- H. He has also camped <sup>ac</sup>  
with television broadcasting,  
making people more prone  
to violence.

Halloween has also become more of an adult entertainment time for terrorizing movies and has made it more difficult for children to have a holiday on Halloween. It has interfered with them being able to have fun on Halloween. (Now it is too dangerous, so it seems for them).

I expect this to improve  
(By the way)

Our children should be able to be safe and enjoy their childhoods.  
Where's this protective leadership?

pp. 2 and  
insert page

I hate Frank Sinatra.  
In the interest of the  
Country and the world  
he should be put under  
strict surveillance. And  
also anyone who has  
association with him  
and his family.

I have been fighting  
for my life for years  
now. Frank Sinatra  
is responsible.

With the situation  
he has created there  
has resulted these  
problems. (a few of them)

1. Amtrack accidents
2. Planes crashing
3. Tylenol, through  
mafia connections  
through individual per-

4. Candy, around  
Halloween being  
tampered with.

There also was an  
attempt on Margaret  
Thatcher's life. First  
came the threats, then  
the bombing at the  
Hotel where she was staying.  
And there was  
Breznev's death. And  
Andropov's part which  
I really feel uncomfortable  
writing about because  
it involves another  
country, but I feel I  
must stress the seriousness  
of the problem with  
the mental degenerate  
named Frank Sinatra  
which everyone seems  
to idolize. He is a  
maniac.

This insert is from the day after I wrote his letter.

The people responsible for

1. Amtrak accidents
2. Planes crashing, and
3. Tylenol

was

1. [REDACTED] Henderson, Nevada
2. [REDACTED] owner of the [REDACTED] Casino
3. [REDACTED], also part owner in the Casino Jack and John (Lovers)
4. A Detective [REDACTED] from Henderson, Nevada
5. [REDACTED] daughter-in-law.

b7c

He also has been responsive for cuts in the budget. (on poorer people) Possibly he will <sup>not</sup> stop in the end project himself.

It is not that I haven't tried to stop this from happening, I have. I have written above my problems to a Congressman. To the Supreme Court twice and have had no reply. It is not in the same text; but it is imperative that I write this.

My children are in danger, also. Frank Sinatra senior and jr. are trying to affect my sons. He is trying to make my son retarded. He has even

seen it that my  
father, my sons Grand-  
father died on my sons  
birthday. I really hate  
to write this because of  
the amount of pain I  
feel, but I must. He  
also is trying to kill my  
children.

I do not wish to  
write a book in explaining  
my life and that's what  
it would be. But he has  
used these certain people  
in the East to divide me  
from my sons.

These people he is  
also using to kill people  
in the East and cause  
problems.

1. Joseph Buttafuoco

(But a few go)  
would be a type of  
association.

(of Metuchen, N.J.)

4.

2.

[REDACTED] who would even kill  
my brother; who is  
now her husband.  
[REDACTED]

n. j.

These plones should be  
bugged and these  
people should be put  
under surveillance also.

3.

[REDACTED]  
E. R., n. j.  
owns a bar in  
called the [REDACTED]

4.

[REDACTED], a janitor  
of 3 grammar schools  
in the area.

These 3 on this page  
have been responsible for

terrifying me themselves  
plus with their acquaintances  
and  
Sinatra races them.

Jennie takes pride  
in having her own  
mafia. Power is the most  
important thing to her.

And in a way, my  
problems are your problems.

Sinatra also has  
a close association with  
Burt Reynolds. And  
through Burt Reynolds  
he affects

1. Anne Murray
2. Robert Wagner
3. Barbara Mandrell  
who would kill a lot  
of people through  
manipulating accidents,  
because she has had  
an accident herself.

It wouldn't hurt to check out the L.A. group.

A popular thing these days is becoming murderous.

These stars have used TV to try to kill me.

And also, back to Jenny. She is also being used in a way where it would cause a terrible impression of the East.

He really is (Sinatra) trying to cause the country to divide.

He is trying to instigate power against power.

People against people.  
Religion against religion.

Jenny is being used as a mafia queen in a way.

And would be used  
to cause a war between  
East and West eventually.  
Catholic against  
Mormon  
Mormon against  
Catholic.

That is his motivation.  
He really is quite  
a trouble maker. Somewhere  
I know he will be looking  
for profit. Somewhere there  
has to be in his eyes, a  
profit.

He has been trying  
to kill my family for  
almost 9 years, too. And  
by using Jenny he is  
succeeding.

3 years ago he made  
her motive to own my  
Mother's home. Her part  
was to kill us off one  
at a time.

He has been trying  
to get me to kill myself  
for years.

Part of it was because  
of his hatred of people  
from New Jersey.

Remember he was  
born in Hoboken and  
N. J. is supposed his  
home. (where he is from)

I'm sorry, but  
legally it really is that  
he has taken my rights  
away. I must kill him.  
and since his family is  
not stopping him and  
also the fact that they  
would heel me for killing  
him - I must kill his  
family for the self defense  
of mine.

I did not make this up. Check it out. You will see that I am 100% right. (In this instance)

And I would like to stay anonymous but it really is impossible to a certain extent. The people responsible have me under surveillance. They ruin everything for me or they sure give it a darn good try.

You see, I feel no hesitation in asking you to put them under surveillance. They have taken all my privacy and rights from me. (You know I am a citizen also.) I am supposed to have the rights others have

So in my self defense you may have these people. It definitely will be beneficial

to the country.

And in reverse of  
Mafia killing entire families  
I would like to teach  
Frank Sinatra a lesson or  
two. I want him destroyed.

I have not done anything  
wrong, either. I am a woman  
who is concerned about the  
safety of my family. He has  
no right to destroy whoever  
he feels like. And I have  
given him every chance  
possible to stop.

There's no chance that  
you will stop this man  
without killing him or his  
family.

<sup>and</sup> I have gone crazy trying  
to protect people. I have  
written anonymous letters.

I have tried to stop  
this.

Don't you think that  
you should stop Sinatra  
from amusing his  
distorted mind by  
destroying everything he  
can? Because that is  
what he's doing. All that  
money and power and  
all that time he has  
to amuse himself.

I think you give  
him a bit too much  
of ~~any~~ leeway.

He has possibly  
been responsible for the  
so called Kennedy ~~cancer~~.

John F. Kennedy  
Robert Kennedy  
David Kennedy who  
was supposed to defeat  
Ted Kennedy for going for  
Presidency (or Politics)  
He does have jealousies

He also is supposed  
to be the "King." So was  
Elvis Presley.

I really think that  
he does not like anyone  
more popular than he is.

And as for him  
killing his friends. He's  
quite a hypocrite.

He has, in the past  
2 years been trying to  
help Lucille Ball's children  
also.

He's no good. I don't  
believe he ever was for  
this country. She thinks  
he might have done, believe  
me the people have very  
deeply paid for.  
And when you are  
in a position as he is

you could make the people think you are the greatest thing ever in contrast to what he really is. A maniac.

I do wish to remain anonymous. I would not appear in court. Somehow I really feel very uncomfortable writing that last sentence.

I should feel uncomfortable writing this letter but I definitely don't. I must.

I must bury this man.

He is a pervert.  
A child killer.  
A degenerate.

I hate him.

I must also mention that the man in penhouse which exploited the Black Miss America; along with

her exploiting herself is possibly trying to get into Child pornography.

I would really like to send this letter anonymously. However I must certify it. If I could insure it, I would. I must know that this letter gets to you. (So someone will sign for it.)

And with everything that I have written I am concerned. I am very afraid. But it seems that I always am. (due to certain people)

Now I must end this letter. I do hope you plan to do something to stop these things from happening.

I must feel that my  
children will be safe.

The worst animal on  
the face of this earth  
is the animal which  
would victimize children.

And the next worse  
is the one who would  
ignore it.

Re: Newark teletype to Bureau, 5/23/80.

Enclosed herewith for the FBI Laboratory, Document Section, is the original threat letter and envelope, and a typewritten copy of same.

For information of the Laboratory, the enclosed letter was received at the Reservations Office of the World International Hotel (WI), Atlantic City, NJ, on 5/14/80. On 5/22/80, [REDACTED] Intelligence Unit, Atlantic City Police Department, transferred this material to SA [REDACTED] ARA, and advised that prior to his receipt of same it had been handled by an unknown number of people at the hotel and police department. WI was the addressee, probably as a result of that hotel's promotional advertising of a forthcoming SINATRA appearance at Atlantic City's Resorts International Casino/Hotel. This ad was also included in the Reading, Pa., newspapers, during the early part of May. It is noted the enclosed envelope is postmarked May 12 at Reading, Pa. On May 17 and 18 a total of three suspicious phone calls were received by WI's

Reservations Office on their out-of-state 800 number. On those occasions, the caller did not speak but only played SINATRA music in the background. SINATRA performed at Resorts last weekend without incident, and will again appear this weekend, May 30-June 1, 1980.

On 5/27/80, Mr. MURRAY MYRON, Bureau Consultant in Psycho-linguistics, was contacted. His observations support the possibility that the originator of the threat may also have sent similar letters to the President.

REQUEST OF THE FBI LABORATORY

The Document Section is requested to review the enclosed and search the Bureau's Anonymous Letter File for any possible comparisons or leads. Also, cause to be searched the Anonymous Letter File of the US Secret Service.

Thereafter, forward this evidence to the Latent Fingerprint Section for development of any latents for possible future comparisons.
